Non meritarimo veramente le largissime, et ample ragion nostre in la
presente causa che noi multiplicassemo più in scritture, ma che solamente cō
le sanctissime et honestissime oblation nre aspettassemo indubitatamente il
laudo dela sententia già in favor nrō fatta: ma perchè mai si possino doler
li adversarij nri che nō habiamo, et in la presente causa, et in ciascheduna
altra parlato chiaramente et resposto ad ogni sua richiesta, nō se partendo
dalle altre nre oblation et scritture fatte in questa pnte lite: Et princi
palmente per discoprir la captiosa et calumniosa volontà di essi adversarij
nri per questa pnte scrittura si femo intender, che al presente nō se tratta, ne
pretendemo che si tratti dela forma et modo che si deba tenir in administrar
et disponer delle cose communi dela Consortaria nra, perchè in questo se
riportimo ala consuetudine et stilo antico et fin hora semper osservato;
Dal quale quando per li adversarij nri nō rimossi nō pretendemo, ne volemo
partirse: ma solamente se tratta al pnte di vn atto precedente ala admi
nistration, et disposition delle cose comune; hoc che no pretendemo che li
adversarij nri possino disponer in cosa alcuna spectante ala consortaria
commune, como hanno fatto in la locatione contentiosa. Et però volemo
ben ad manifesto che nō possando li adversarij sostentar tal affittanza fatta
senza noticia alcuna, et mancho consentimento nrō; et cercano captio
samente cumular, et confonder molti altri capi, delli quali ne in la prima
sententia, ne mai è stata fra noi contentione alcuna. Et questo cercano
acciochè per tal confusione et intrigo sia offuscata la sincera mente delli
Judici, li quali hanno solamente di cognoscer questo solo articolo n. 3
videlicet che li adversarij habino potesto loro soli affittar la posta commune
et a loro et noi spettante senza darne noticia alcuna: Et imperò veramente
nō accaderia dar resposta come fin hora nō havemo dato a quella parte
dela resposta di ditti adversarij per la qual voleno che la posta si debbi affittar
per la maggior parte secondo la portion dela jurisdictione che a ciascheduno tocca
perchè nō è al proposito del caso et articolo nrō, ne sopra cio fra noi mai se ha

contesso; Ma per p cavarne ogni cosa dedutta p li adversarij: Dicemo che la miuta
cia et beneficio de tal loro oblatione se puol cognoscer manifestamente di questo
che loro havendo dui parte delle tre della Jurisdittione, voriano poter disponer
a sua volonta et contra nostro voler de Tutta la Jurisdittione, non voglendo che noi
che ni habiamo una parte sola potessimo obviarli in conto alcuno contra de
loro come contra la maggior parte et cosi che noi insiemo tanquam Circulus
ad Tabernam et corpi inanimati: Ma a finalmente per che volemo che ancora
a questo sii messo ordine, ancora che come havemo detto, saressimo
contenti star al ordine, stilo, et consuetudine antiqua, circa al disponer
delle cose communi, se habbino a disponer et contrattare, secondo che pur che si facci notitia a tutti li consorti
la maggior parte de noi vorra, intendendo la maggior parte per capita
hoc e la maggior parte de le voci delli consorti, purche a Tutti che se ritro
veranno in patria over a soi agenti sia data noticia del giorno et loco
che si havra a contrattar tal cosa come in la prima nostra oblatione fu detto
over quando questo a detti nostri adversarij non piacessimo ancora contenti
noi consorti de sotto che [illegible] [illegible] pro rata iurisdictionis se affitti
tal posta contentiosa: [illegible] [illegible] adversarij dui colonelli [illegible]
consequis habiendo doi parte possino affittar doi anni; Et noi versa
vice li quali havemo una parte sola possimo affittarla et disponer di essa
a nostro beneplacito ad uno anno solo, come è consueto et solito farse
fra Tutti li consorti della patria: et cosi ciascuno conoscera la portione
sua et piu facilmente se vivera in pace, et quiete, con conservatione
et augumento della Jurisdictione Comune. Et questa presente oblatione et scrit
tura voglemo habbi loco in consilijs et ubique et sequente laudatione
sententie di meliori modo etc.
